THE WARRIOR

Dedication

The WARRIOR of 1955 is dedicated with
solemn pride to the cherished memory of the loved

Mary Janet Clark

We who are left, mourn the loss of her glorious light,
her freshness as of a dream, and her soaring wisdom.

The staff, on behalf of the CLASS of 1955 and the
many friends of our departed one, pray that the anguish of the
bereavement of her family will be assuaged.

BRIDGE The School Song

In the state of Custer County,
With its hills and valleys fair to see;
There rules the queen of all the prairie,
In sovereign majesty.

Both purity and strength her colors,
Blazen forth upon her banner bright;
We'll honor them, and love forever,
Our glorious Red and White.

Then hail to thee our Alma Mater,
Hail our high school ever true and strong;
Accept as gifts upon thy altar,
The tribute of our song.

Chorus

Broken Bow, Broken Bow,
She's the greatest high of any that I know;
Always pressing onward may her glory ever grow,
Our honored Alma Mater, Broken Bow, Heigh-O.

SENIOR CLASS HISTORY

AS FRESHMEN.....

THE CLASS OF '55 embarked upon our beginning years in B.B.H.S. with an enrollment of eighty-eight. There were such things as algebra, general science, yells, and back bends to be mastered. The officers for the year were Davey Davis, president; Ronny Wachter, vice president; Joan Ray, secretary; Donna Hyatt, treasurer; and Karen Russell, sergeant at arms. Mrs. Russell was our sponsor.

THEN SOPHOMORES.....

WE BEGAN SCHOOL a little wiser than the year before. Our officers this year were Ronny Wachter, president; Gale Ann Penn, vice president; David Ely, secretary; and Donna Millsap, treasurer. Parties, concerts, lyceums and ball games filled our spare time to complete a successful year. Our sponsors were Miss Shields and Mr. Korte.

ON BECOMING JUNIORS.....

WE CHOSE Ronny Wachter as president, Marilyn Parr as vice president, Nancy Owen as secretary, and Davey Davis as treasurer. We sponsored the annual lyceum programs. On November 17 and 18 we presented our class play, "Seventeenth Summer." Those juniors not in the band sold concessions at the football games. A snowy May 1st spotlighted a very successful Jr.-Sr. Banquet and Prom. Our sponsors were Miss Shields and Miss Hoefener.

IN THE END.....

THE CLASS OF '55 has improved considerably in the knowledge of sciences, arts, and general reasoning. Now we are making plans for the future rather than planning a high school party or electing a class president. A very colorful year came to a close under the guidance of Donna Millsap, our class president; Charles Collicott, our vice president; Louise Eastwood, the class secretary; Neil Carroll, our treasurer; and Mr. Cupl, our sponsor.

FINALISTS

"THE WAY WE STARTED"

**NORTH WARD
KINDERGARTEN 1942**

SOUTH WARD KINDERGARTEN 1942

On a bright autumn day in 1942, two groups of "little darlings" started out on their educational career. There were about 23 on the North Side and 20 on the South Side. As they have climbed the ladder of success, there are twelve of them left to justify that it isn't impossible to go thirteen years to the same school.

CLASS PROPHECY

Good afternoon ladies and gentlemen, this is station TIYF, "This Is Your Future," coming to you from 1970 on your radio dial.

Today we are going to have a few guest celebrities on our program. First, here is our theme song, "MEMORIES," written by Marilyn Anderson and recorded by that famous band of James Girardin's. By the way, we heard the other day that Kay Hudson has joined his band and is playing the tuba. Nothing like good music. And now, before going on I'd like to remind all of you wonderful people out there in radioland to be sure to listen to your fine "Colli" radio, made by your own Bud Collicott.

Folks, here is our first guest celebrity of the day. It's none other than Reva Payne from RKO movie studios, currently starring in "Prophecies Seldom Come True." Standing next to her is the first person who ever said "hello" on the televised phone, Virginia Borchers.

Going on down the line we find that famous Democratic Senator, William Farritor, talking to that best dressed man of the South, Jim Markham.

Listening in on this conversation is Helen Winbolt, who just made a famous speech on the seventh floor of the new Arrow Hotel, owned by Bobbie Pracht.

Going into the next room we find one of the top scientists, Calvin Robinson, who just took over Einstein's old job. Sitting with him are two more geniuses, David Pracht, first rocket pilot to the moon, and Kenny Linville, the man who lit the fuse.

It's a plane! It's a bird! No, it's ace jet-pilot Neil Carroll, enroute from Broken Bow to Elaine Brassier's BOW INN.

We now take you to Gary Zoerb's fabulous summer resort where our reporter will give you the run-down on the celebrities vacationing there. Hello, out there: First of all we see Pat Brown, the famous beautician, basking in the sun. Sitting across the pool is Gary Butterfield, who is relaxing from his tedious labor of operating a chain of 20,000,001 gas stations from here to Timbuctu. And just back from Timbuctu is Joan Ray who is working on the idea of cast iron pajamas for people who toss and turn in their sleep. Also, here is Virgil Branstiter, the cartoonist, who is searching for new ideas for his comic strip, Duck Tracy." And really packing 'em in the Parisian room is the comic team, Allan Schneringer and Sterling Troxel. Next week, arriving from Mars, will be Barbara Meston, world renowned opera star, accompanied by pianist Liberonny Wachter, business adviser Donna Millsap, and music arranger Hazel Trotter. They were very successful on this trip. Returning with them will be Martian good-will ambassadors Donna Hyatt, Darlene Mattox, and Marie Ritterbush.

CLASS PROPHECY

We now pause briefly for a commercial. On the show "What's Your Life" will be guest stars E. Alonzo Davis, author of the book "Women" and L. Leona Eastwood, author of the book "Men." This program is directed by George Golden, produced by Charles Truesdell and Norval McCaslin, and sponsored by Walter Wolford's "WoofWoof" dog food. Remember folks, if it's dog food with a personality you want, get Wolford's "WoofWoof."

Lucille Jensen, "The Sandhills' Nightingale," is a featured attraction at Marjorie Jones's GOLDEN NUGGET CAFE.

Now for some sports news. Be sure to tune in tonight to the wrestling matches starring the top women wrestlers Marilyn (The Mangler) Haumont, JoAnne (Judo) Stewart, Carol (The Crusher) Thomas, and Ellen (Lucky) Smets. In the men's matches, stars Don (Dimples) Daharsh, Lyle (Lightning) Peltzer, Dan (Cannonball) Stucker, and Bill (The Yak) Wilcox will compete.

Tomorrow in Indianapolis the ace drivers Larry Neutzman, Dick McCarthy, Beryl Francis, and Robert Winbolt will vie for top honors. After the race the winner will be honored at a banquet in Hedy Troxel's cafe. The steaks they will eat are from John Hastings's cattle, which have been grazing out on Don Miller's farm. And out on this farm Mary Govaerts and Marilyn Dainton are preparing the savory chow.

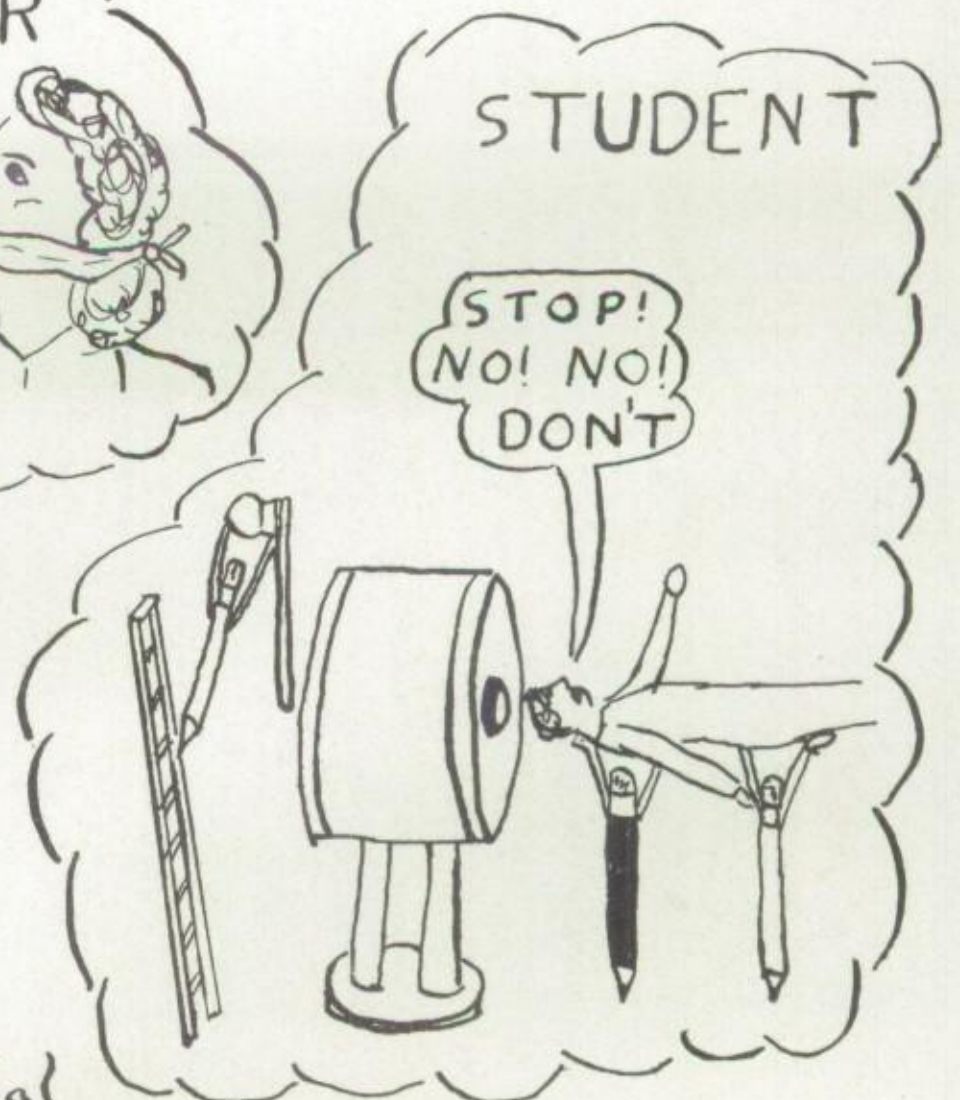

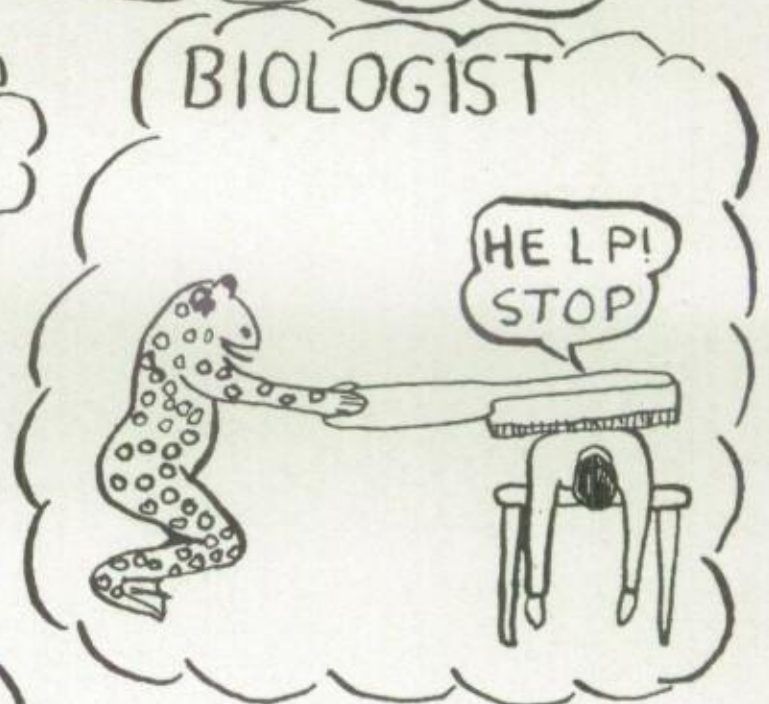

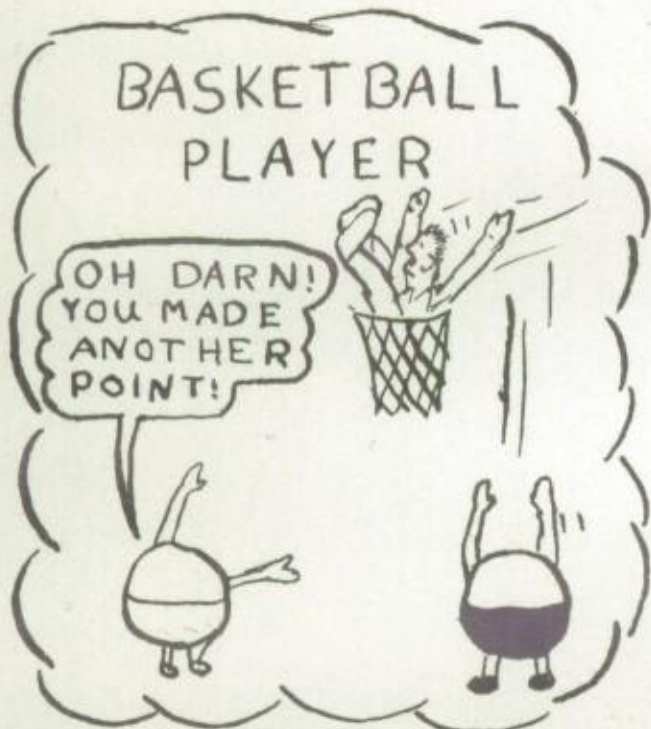

Now let's listen to Lillian Leverington's hit record, "On Top of Old Popocatepetl," sung by the Stardust Trio: Roberta McMillan, Karen Russell, and Karen Woods.

Two important messages just came in. First, Sharon Moore, famous woman detective of "Drugnet," just solved the mystery of Nancy Owen's stolen horse, "Chigger." Second, Charlyn Uhlig, Janice Storms, Roberta Morris, and Imogene Chrisp just returned from a successful missionary journey to the moon.

It's been wonderful being with you folks. We now sign off with the GOLDEN GOOFOFFS, Marilyn Parr, Cleo Patrick, Gale Ann Penn, and Kay Sterling, singing "I'll Bet I'll See You In My Dreams."

The Broken Bow Chapter, Number 1123, of the National Honor Society of Secondary Schools received its charter in 1931. Up to this date there have been one hundred eighty-four members chosen from our school.

The members are elected by the faculty and the sponsor of the organization, Mr. Hansen. They are chosen on the basis of service, leadership, character, and scholarship. They must have a scholarship rank in the upper one third of their respective classes. Not more than fifteen per cent of any graduating class can be elected to membership.

The objective of this organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American Secondary Schools.

The Student Council is in its second year of existence. It was organized by a unanimous student body and faculty to create an organization for the betterment of the school. It aids in teaching student participation in government, leadership in school activities, and student knowledge of the principles of government.

Some of the principal activities included in the Council's program are the March of Dimes Campaign, the crowning of the King and Queen at the Homecoming game, and compiling the student handbook, "Indian Lore." Some of the lesser parts of the program are school dances, parties, and locker clean-up.

The Indian

"The Indian," our mimeographed school newspaper, appears every six weeks. It is issued to high school and junior high school students free of charge. This is the first year we have edited "The Indian" under this policy.

The capable members of the staff are selected by the sponsor and the editors. The editor and the co-editor exchange positions at the end of the semester to give each an opportunity to act in the capacity of editor-in-chief.

Future Homemakers of America

The Broken Bow Chapter of the Future Homemakers of America has experienced an exciting year. We have been working toward an honor chapter and hope to receive this honor at the summer workshop June 3.

Sixty-four members have participated in the many activities. Gaylean Wells, Helen Jensen, Thelma Keller, Marie Land, Elvera Jezbera, Donna Estes, and Anna Eichthaler were awarded Chapter Degrees. Mary Govaerts has earned her State Homemaker Degree.

Twenty-four members, the chapter adviser, and the chapter mother attended the district convention at Callaway, October 9. Imogene Chrisp was parliamentarian of District IV.

Six members, one chapter adviser, and the chapter mother attended the state convention, April 2. Mary Govaerts was second vice president of the state convention and Joyce Briggs was a candidate for first vice president of the State FHA for 1955-56.

A business meeting and a fun meeting are routine each month.

Other activities of the chapter were candy and bake sales, and the observation of FHA Week.

FHA members climaxed their year by honoring the seniors with a farewell breakfast on May 15.

PEP BAND

JUNIOR BAND

A Full Calendar for the Band

The eighty-three members of the Broken Bow High School Band added their talents and versatility at many occasions this year. Under the competent direction of Mr. Howard Jacob, they appeared in several concerts. On October 2, they attended the Melody Roundup in Hastings and participated in an evening performance with twenty-five other bands under the baton of Mr. Forrest Buchtel.

Their next jaunt was to North Platte where they joined the United States Marine Band Parade and enjoyed a lively concert.

In Lincoln, October 16, they participated in another colorful parade and football half-time with sixty other bands. This large enthusiastic ensemble is a most outstanding display of talent in Nebraska. Mr. Don Lentz was on the podium.

Always ready and most co-operative, the band rendered a very impressive Christmas program at the high school auditorium on Dec. 21.

Their next junket was to Ravenna, February 16, for the Three Loups Band Clinic. This proved most satisfactory with Mr. Jack Snider as clinician.

On March 18, the group furnished entertainment for rural teachers and pupils. This was followed by another successful concert in Broken Bow on April 12th.

The marching band was at hand to entertain at the football half-time shows and the pep band, under the direction of Ronny Wachter, added to the spirit at rallies and boosted the teams at basketball games.

The Broken Bow High School Band, with twenty-four seniors, was headed by the following officers: Ronny Wachter, president; Charles Collicott, vice president; Jim Girardin, secretary and treasurer; Nancy Owen, party chairman.

Broken Bow High School **CHORUS**

The Broken Bow High School Chorus was conducted by Mr. Howard A. Jacob and accompanied by Annette Chase. The fifty-five voices were selected from the sophomore, junior, and senior classes.

The chorus attended the Three Loups Choral Clinic at Ord on December 8. A massed concert was presented in the evening under the direction of Mr. Earl Jenkins.

On December 19, the chorus presented a very impressive Christmas Vesper Service.

Chorus and band members enjoyed a party and gift exchange following the Christmas program presented by the music department.

The chorus displayed much enthusiasm by presenting the Gilbert and Sullivan operetta, "The Mikado," on March 25.

The season was climaxed by the colorful Spring Formal on May 10.

OPERETTA

The Mikado

Nanki-Poo has fled from the court of his father, the Mikado of Japan, to escape marrying and elderly lady, Katisha. Disguised as a musician, he then falls in love with Yum-Yum, a fair maiden; but he was prevented from marrying her by Ko-Ko, who wishes to marry her himself.

The Mikado appears in search of his lost son. All ends well when he finds Nanki-Poo married to Yum-Yum and Katisha has accepted Ko-Ko's hand in marriage.

"Our Miss Brooks," a delightful comedy in three acts, was presented by the junior class on the afternoon of November 8 and the evening of November 9.

The play centers around an English teacher, Miss Brooks, who is the director of a dramatic play. Despite frustrations with Hugo Longacre, the athletic coach; Mr. Wadsworth, the high school principal; Mrs. Allen, Rhonda's domineering mother; other faculty members and students, the play was a success.

On the Gridiron

With only two regulars, Davey Davis and Dwain Gunther, back from the 1953 team, the Coaches Russell, Erickson, and Korte, were faced with a major rebuilding job in 1954. By the end of the season they had fashioned a good, spirited, hard-working squad. The final record was three wins and six losses against strong competition including three of the Top 10 Class B teams and the second place Class C eleven. Despite this mediocre won-lost record, the football warriors placed Dan Stucker, Bud Collicott, Bob Clay, and Dwain Gunther on the first All-Conference team. Davis received honorable mention. Twelve seniors appeared in the last game against Lexington.

On the Maples

The Indians, hard hit by graduation and having only two lettermen, Dan Stucker and Davey Davis, returning, had one of their poorer seasons in recent years. Coach Erickson was forced to rely heavily upon the services of inexperienced underclassmen who showed considerable progress as the season moved along.

Sophomores John Stevens, Lavern Haefele, Louis Myers, and Clayton Wenquist, and juniors Bob Clay and Mike Varney, were among the standouts from whom we expect great things next year. Senior lettermen were Neil Carroll, Sterling Troxel, Bud Collicott, Dan Stucker, Don Dharsh, and Davey Davis.

Almost pulling the upset of the year over the high-flying Gothenburg Swedes, the Indians fell in the closing minutes after having enjoyed a 16 point half-time margin.

Also outscoring the Ord Chanticleers from the field on the home court, the Indians toppled on free throws in the last two minutes.

Davey Davis copped the honor as an All-Conference forward, while Dan Stucker gained honorable mention at the guard position.
